

FIFTH EDITION OF STARTUP LAB BY SRS BEGINS ON APRIL 29

SRS Legal and UNION Venture Builders are proud to announce that the fifth edition of the Startup Lab by SRS will begin on 29 April 2024.

In this edition, up to 12 will be a part of the programme, which is scheduled to end on 4 July.

Startup Lab by SRS is an innovative acceleration and investment programme that brings together the best of two entities with vast experience in the market, boosting the entrepreneurial ecosystem in Portugal. The partnership between SRS Legal and UNION Venture Builders combines decades of legal experience with expertise in start-up development and investment.

Following the success of the fourth edition - which ran from October to December 2023 - SRS Legal and UNION Venture Builders remain committed to providing the tools, resources and support needed to foster the success of the selected startups.

The programme continues to be guided by three pillars:

1. **UNION Nest:** Focuses on the ideation and incubation phase, combining the experience of SRS Legal with the expertise of UNION Venture Builders.
2. **UNION Builder:** Supports the validation and execution of business plans with the support of experienced executives.
3. **UNION Capital:** Offers access to capital and investment resources to help startups grow.

For more information on the programme and how to take part, visit us at startuplab.pt.

About UNION Venture Builders

UNION Venture Builders' integrated model provides significant benefits for both entrepreneurs and investors. For entrepreneurs, the key benefits are access to a team of qualified and experienced executives with a proven track record of success, access to funding and investment resources, and access to a resident community of experts from multiple industries and strategic partners.

For investors, the key benefits are access to a qualified stream of opportunities, with lower risk, through the UNION Venture Builder validation process and access to a diverse range of innovative and sustainable startups. UNION Venture Builders offers investors a unique opportunity to be part of a community that supports and invests in the most promising startups.

About SRS Legal

For over 30 years, SRS Legal has been providing full-service advice to national and international clients in all business areas. The firm has more than a hundred lawyers from various practice areas to respond to the needs of clients quickly, empathetically and innovatively.

It developed *StartupLab by SRS*, the first start-up accelerator developed and powered by a Portuguese law firm, together with specialized partners, dedicated to the development of products and solutions for service companies. The project has been running for five years and has already involved more than 20 startups *alumni*, several of which invested after attending the programme.
