

## SRS LEGAL ADVISES ACTIVECAP ON INVESTMENT IN NATSTONE

SRS Legal advised ActiveCap Capital Partners on its investment in Natstone, a Portuguese company specialised in the transformation of natural stone and development of ornamental solutions for architecture and design projects. The investment was carried out through the ActiveCap II – Portuguese Growth Fund.

SRS Legal's advice to ActiveCap covered all stages of the transaction, including structuring of the investment, due diligence and drafting and negotiation of the relevant contractual documentation. The team was led by Partner [Gustavo Ordonhas Oliveira](#), head of the [Private Equity & Venture Capital](#) team at SRS Legal, and included Associates [Miguel Pereira Bonifácio](#) and [Joana Ferreira Gonçalves](#).

Through this investment, Natstone initiates a new international growth and consolidation phase, with a view to consolidating its presence in key international markets, strengthening its innovation capabilities, broadening its product portfolio and reinforcing its positioning in higher value-added segments, driven by design, functionality and sustainability.

*"This transaction highlights the dynamism of the private equity market in Portugal and the growing importance of these investors in supporting companies with strong internationalisation and innovation potential and developing the national economy. Our team worked closely with ActiveCap to structure a legally robust solution aligned with the strategic objectives of both ActiveCap and Natstone"* said Gustavo Ordonhas Oliveira.
