Update on per diems

Strengthening employees' available income: Update on per diems.

As part of the Reinforcement of the Medium-Term Agreement to Improve Incomes, Wages and Competitiveness, it is foreseen to strengthen employees' available income by updating per diems to the following amounts:

- Value per kilometre in own car to 0.40€;
- Travels within national territory to 62.75€;
- International travels to 148.91€.

This agreement was executed by the Social Concertation Standing Committee and reinforces the terms of the Medium-Term Agreement to Improve Incomes, Wages and Competitiveness, signed on 9 October 2022.
