## Update of the social support index for 2024

Social support index for the year 2024 is € 509.26.

As of January 1st, 2024, the social support index will rise from € 480.43 to € 509.26, which represents an increase of 6.0% (€28.83 more).

The update of the social support index will be reflected in an increase in the social benefits that have this index as a basis for calculation, such as the solidarity supplement for the elderly, dependency and death supplements, family allowance and limits (minimum and maximum) for unemployment subsidy.
