

CORPORATE, COMMERCIAL AND M&A

SRS Advogados is a full-service, multi-practice law firm advising clients on all aspects of domestic, as well as international law.

Our lawyers are focused on their clients' business and have gained knowledge and experience advising large national and international corporate groups, financial institutions, as well as local and national authorities.

We are organised by specialist practice areas and sector groups. This dynamic structure allows the firm to combine a diverse range of legal experts within a group, all of whom have relevant sector knowledge and experience. Sector groups have an extensive understanding of areas in which our clients operate and assist clients in fulfilling their objectives. We know our clients' business and regard ourselves as an active and dynamic part of it.

The Commercial & Corporate team at SRS Advogados comprises a team of lawyers specialised in all areas of "business law", including capital markets and private equity transactions, corporate restructurings, joint ventures, LBO, M&A, MBO's and privatisations.

All lawyers of the team have extensive experience in corporate matters, such as corporate governance and compliance, as well as in commercial law, including domestic and international agency, distribution and franchising contracts.

We assist and advise our clients throughout their commercial transaction lifecycle, from strategic planning and negotiation up to implementation, on-going assistance and advice on contract termination.

Given our sector focus, our lawyers are capable of working in various business areas, such as Energy, Finance, Health, Media and Information Technologies, Real Estate and Telecommunications.

Through the creation of SRS Global (Angola, Brazil, Macau, Malta, Mozambique, Portugal and Singapore), as well the creation of a strong network of international relationships with third parties, we aim to extend our experience, expertise and services globally so as to ensure that we can respond efficiently to complex issues with global implications.
