

**SRS Advogados is a full-service, multi-practice law firm advising clients on all aspects of domestic, as well as international law.**

Our lawyers are focused on their clients' business and have gained knowledge and experience advising large national and international corporate groups, financial institutions, as well as local and national authorities.

We are organised by specialist practice areas and sector groups. This dynamic structure allows the firm to combine a diverse range of legal experts within a group, all of whom have relevant sector knowledge and experience. Sector groups have an extensive understanding of areas in which our clients operate and assist clients in fulfilling their objectives. We know our clients' business and regard ourselves as an active and dynamic part of it.

**The Insurance & Pensions team at SRS Advogados provides legal advice on all aspects of insurance law including, in particular, terms of access for carrying out an insurance activity and the legal framework for insurance contracts, pension funds, insurance mediation and mediation contracts.**
