

**SRS Advogados is a full-service, multi-practice law firm advising clients on all aspects of domestic, as well as international law.**

Our lawyers are focused on their clients' business and have gained knowledge and experience advising large national and international corporate groups, financial institutions, as well as local and national authorities.

We are organised by specialist practice areas and sector groups. This dynamic structure allows the firm to combine a diverse range of legal experts within a group, all of whom have relevant sector knowledge and experience. Sector groups have an extensive understanding of areas in which our clients operate and assist clients in fulfilling their objectives. We know our clients' business and regard ourselves as an active and dynamic part of it.

**SRS Advogados is one of Portugal's leading Law firms and its Luxury Law group was set up in response to growing demand for legal advice within the Luxury segment.**

The team's know-how and experience is not limited to Luxury Law, but covers various relevant and interrelated areas, thus allowing us to provide clients with an integrated holistic approach to their issues.

The SRS Luxury Law experts have national and international experience and exposure and work closely with other departments within SRS to provide clients with the best tailored and bespoke support.

Within the highly competitive and ever-changing legal market, our primary goal is to make sure that our clients are able to meet their objectives by providing consistent and technically accurate, yet practical advice in a timely manner.

**Through the creation of SRS Global (Angola, Brazil, Macau, Malta, Mozambique, Portugal and Singapore), as well the creation of a strong network of international relationships with third parties, we aim to extend our experience, expertise and services globally so as to ensure that we can respond efficiently to complex issues with global implications.**
