

## MINING

**SRS Advogados is a full-service, multi-practice law firm advising clients on all aspects of domestic, as well as international law.**

Our lawyers are focused on their clients' business and have gained knowledge and experience advising large national and international corporate groups, financial institutions, as well as local and national authorities.

We are organised by specialist practice areas and sector groups. This dynamic structure allows the firm to combine a diverse range of legal experts within a group, all of whom have relevant sector knowledge and experience. Sector groups have an extensive understanding of areas in which our clients operate and assist clients in fulfilling their objectives. We know our clients' business and regard ourselves as an active and dynamic part of it.

**We have extensive experience advising on all phases of mining activity such as prospecting, research phases, concessions for exploration and development of sites, and including: contracts with public entities, partners, suppliers and third parties; dispute resolution and arbitration; environmental; licensing and authorization; operational issues; regulatory; and structuring of operations.**

SRS Advogados has the knowledge and legal capability in the areas most relevant to mining companies such as: administrative, arbitration, asset finance, capital markets, competition, contracts, corporate, customs duties, due diligence, employment, environment, EU, international, law of the sea, litigation, privatisations, project finance, regulatory, shipping, tax, trade sanctions, white collar crime and WTO.

**Through the creation of SRS Global (Angola, Brazil, Macau, Malta, Mozambique, Portugal and Singapore), as well as the creation of a strong network of international relationships with third parties, we aim to extend our experience, expertise and services globally so as to ensure that we can respond efficiently to complex issues with global implications.**
